

Portable high pressure fire pump

Model : EFP-1400-200

Description :

Portable Diesel Pump

Direct injection engine

Electric starter

Control Panel

Exhaust priming

Spring-loaded handles for transport

Specifications	Engine
Engine	Kholer KD 425
Type	Diesel two cylinder
Cooling	By air
Cylinder	851 cm3
Starter	Electrique 12V + emergency manuel
Power	19 CV à 3600 tr/min
Specification	Pump
Coupling	4" (100 mm) 3" 1/2" (75mm)
Casing	Navy grade aluminum
Impeller	Navy grade aluminum
Frame	Stainless steel
Size	800x530x580mm
Weight	114kg

Specifications	Control pannel
Switches	On / off
Hours Counter	Yes
Gaz controle	Yes
Witness	Low oil pressure Alternator load
Pressure gauge	Yes
LED	Yes
Folding wheels	Yes
